**Step 2**: Choose the amount you want to give and how often you want to give.

**Step 3**: Choose when you want your gift to start. If your OSV gift has already been withdrawn from your account or your credit card, then make sure your gift starts in the next month.

**Step 4**: Choose the fund. Your regular Sunday giving is Sunday Collection-039. Don't worry, you will get the chance to give to other funds after your account is set up.

**Step 5**: Click "Next." On the next screen, they ask for your mobile number. Enter that, and click "next" again. You will receive a text message with a security code. Enter that into the Security code area and click **Confirm**.

**Step 6**: Fill in payment information, and then contact information. It is helpful for us if you use the same email and phone number as we have for you here at the church.

**Step 7**: Click the blue button and you are good to go! If you would like to set up gifts to other funds, click "give again" and follow the prompts.

That's it! You have just set up recurring giving in Pushpay. Now, if you had recurring giving set up in OSV, please follow the steps in the next section to cancel it.
